**All Year Glider Incentive Scheme** – For an upfront payment of \$1,000 all glider hire is free for 12 months from the date of the Club receiving the payment. The usual rates for launches still apply.

**Summer Incentive Scheme** – For an upfront payment of \$400 all glider hire is at the low rate of 30c per minute (\$18 per hour). The summer season runs from 1 December to 31 May. The rate applies from the date the Club receives the payment. The usual rates for launches still apply.

**Prepaid to Solo Scheme** – This plan has been put in place as an optional form of training with the Wellington Gliding Club to provide members with a fixed price for flight training to solo standard. The plan does not guarantee a member his/her first solo flight within the six-month timeframe and 60 winch launched flights, but experience shows us that students of average ability should attain the standard required for a safe and satisfying first solo flight in one of our two-seater aircraft within this number of flights. All flying done after the first solo flight is charged at normal club rates.

The cost of the plan is \$3,400. This is paid in two instalments of \$1,700 each. The first payment is due at the time of the first flight, and the second once 20 flights have been completed. Refunds or unused prepayments are not payable or transferable. The plan includes:

- 1 year's Full Flying club membership
- GNZ affiliation fee (1 year)
- Log book and training material
- Attendance at training lectures
- 60 winch launched flights over six months
- 1 year's subscription to "Soaring NZ" magazine

Plan members will enjoy full membership of the Wellington Gliding Club and its facilities and likewise will be bound by its rules. Plan membership does not imply or involve any special rights over other Club members.
